Leadership

or service unto death is the Way of Jesus

it is the Loving Way -- and sometimes with "tough love"

Focus your Brothers on Mission.

Above all LISTEN to your brothers.

Inspire, direct, administer with love.

Be bold in building God's Kingdom.

Brothers, pray for these men and above all love them.

Philip sends his love as do Francis, Victor, Peter and I.

Will all those present please extend your hands over the leadership team and pray the blessing:

Ever-loving God, we seek your blessing on these your servants.

Grant them vision and courage in leading this province, helping us to bring Blessed Edmund's charism to the people of God.

Give them the mind of Christ to seek peace and unity in our communities, our mission of evangelization and our stewardship of the earth and our resources.

Grant them the heart of Christ to challenge us and guide us in renewal and reconciliation.

Deepen their knowledge of yourself and may they reflect your love. We ask this through Jesus Christ our Lord and Edmund our Brother. Amen
