

————— **“ANTHEM” - THERE IS A CRACK IN EVERYTHING,  
THAT’S HOW THE LIGHT GETS IN:** —————

The birds they sang  
at the break of day  
Start again  
I heard them say  
Don't dwell on what  
has passed away  
or what is yet to be.  
Ah the wars they will  
be fought again  
The holy dove  
She will be caught again  
bought and sold  
and bought again  
the dove is never free.

***Ring the bells that still can ring  
Forget your perfect offering  
There is a crack in everything  
That's how the light gets in.***

We asked for signs  
the signs were sent:  
the birth betrayed  
the marriage spent  
Yeah the widowhood

of every government --  
signs for all to see.

I can't run no more  
with that lawless crowd  
while the killers in high places  
say their prayers out loud.  
But they've summoned, they've  
summoned up  
a thundercloud  
and they're going to hear from me.

Ring the bells that still can ring ...

You can add up the parts  
but you won't have the sum  
You can strike up the march,  
there is no drum  
Every heart, every heart  
to love will come  
but like a refugee.

***Ring the bells that still can ring...***

## FORMATION DAY FOR CAMP LEADERS

Members of the Edmund Rice Karibu Camps

On Saturday 12<sup>th</sup> November Edmund Rice Karibu Camps held the formation day for the camp leaders. About 50-60 youth showed their faces at different times, but maybe 40 effectively started and lasted the distance. We still attract new members among them a number of teachers from informal Kibera schools- good value they are. First session was with John Muisyo who amazingly came up with new chants, body movements and concentration activities-the laughter resounded.

The second session was an end of the year evaluation, assessing personal growth, examples of leadership being exercised and the impact made on the children and the Kibera community. The central session was on “Crucial Conversations”, the never ending challenge of tolerant communication, so well presented and facilitated by George Massay.

The fourth session was practice in creative art, expertly presented by Winnie from Beausang. Winnie opened up many new possibilities,

something we badly needed. Now we are to be involved with Kibera immersion and camps with St. Edward's, Gosford.

———— **A NEW FACE AT SOUTH C** ————

In view of the ever-increasing workload of the DLT, we have employed a part-time administration assistant to work in the office at South C. We hope that this move will enable us to do better what are our core responsibilities.

Ms Maureen Wambui

We welcome **Maureen Wambui** and hope that her time with us will be enriching and satisfying.

## PICTURES OF THE WEEK

Last week Mary Rice Centre moved to its former site after spending five years at the St Charles Lwanga School. The land, which belongs to the Congregation of Holy Cross, will be home for Mary Rice and our other ministries in Langata. There are great potentials given the size of the land that is available for our use.

Below are the pictures on the first day of the activities at the center:

Members of the Advisory Board had an opportunity to visit the new site. L-R Vincent Mallya, John Paul, Gerard Mgalula, Jane Wairimu, James Nayere, Russell Peters, Leonida Kwamboka, (squatting) Simon Kagumba and George Massay
