———— A SPIRITUAL JOURNEY ————

And the world cannot be discovered by a journey of miles,
no matter how long,
but only by a spiritual journey,
a journey of one inch,
very arduous and humbling and joyful,
by which we arrive at the ground at our feet,
and learn to be at home.

~ Wendell Berry ~

PLT VISITATION OF THE DISTRICT

Back Row (L-R) Clement Sindazi, George Massay, Alfred Banda and Michael De Klerk (Seated L-R) Albert Gomez, Amandi Mboya and Tony Shanahan

The Province Leadership Team has just concluded a two-week pastoral visitation of the District. Our visitors for this year were Brothers Michael De Klerk, Albert Gomez, Clement Sindazi and Alfred Banda.

As is the purpose of any visitation, the visitors assisted the brothers to foster unity and fraternal love in the Congregation and they encouraged brothers in their vocational journey by assisting them to reflect on their lives together.

The visitation concluded with a combined meeting between the Province Leadership Team and District Leadership Team.

We thank our four brothers for their time spent in our District, for their keen interest to listen to our stories and be in touch with our mission and life as the District.

SPORTS FOR THERAPY

Ruben Centre sports team had a sporty session with special needs children at the occupational therapy children's play ground. Through sports children are given opportunity to have fun and therapy at the same time.

OTHER VISITORS DURING THE WEEK

(L-R) George Massay, Roger Rassool, John Feakes (Australian High Commissioner to Kenya), Bryn Sobot at the Australian High Commission in Nairobi

We had the pleasure of hosting Dr Roger Rassool and Dr Bryn Sobott, both Lecturers and researchers at the University of Melbourne, School of Physics.

Roger and Bryn are among the brains behind the project that aims to serve children dying with pneumonia in the developing world by providing free oxygen – (FreO2). “FREO2 is driven by the belief that “EACH AND EVERY CHILD IN THE WORLD HAS THE RIGHT TO ACCESS MEDICAL CARE”

Oxygen therapy is crucial to the treatment of many curable diseases, however, this crucial medicine is out of reach to millions of disadvantaged children. FREO is committed to develop leading edge, affordable technology to provide this care”.
Source www.freo2.com

Roger has been the friend of Christian Brothers for many years; two years ago himself and his wife Anne stayed at South C for six weeks, and offered their services to our ministries.

He is not short of passion when it comes to helping people.
