WEEKLY REFLECTION

We pray for victims of the terrorist attack in Paris. We pray for peace and tolerance amongst our religions and nations.

FIVE POSTULANTS ACCEPTED FOR NOVITIATE

L-R Denis, Juma, Alphas, Ismael and Alphonse

On Tuesday 10th November, we received our acceptance letters to join the novitiate. It was a joyful day for each one of us.

It was the day we have all been waiting for with, which finally became true. Each and every postulant was very happy with the encouraging letters we received. We are grateful to our formators for journeying with us through this postulancy program. It was a good start to the noble journey of religious life. A journey we hope to accomplish successfully. That is our hope and prayer. We are now looking forward to join novitiate next year.

Before leaving for our homes, we are having a three-day retreat at Maua in Moshi, Tanzania. An experience we hope to open our hearts and minds fully to the decision we are taking. We request for your prayers as we start this our journey to be committed religious in the future.

EDMUND RICE KARIBU ACTIVITY: 'CHARITY' WORK. NOVEMBER 7

Sammy Muga with Wangare

Twenty-five members were happy to do some hard work and most of all to engage with the disabled children and at adults at Mother Theresa's Home, Langata. They were all delighted with themselves and being together as a community.

———— **EDMUND RICE KARIBU ACTIVITY-
CAMP FOR KIBERA KIDS, NOVEMBER 15** ————

After two sunny days, it was anguish to wake up to heavy rains but 30 members finally overcame their hesitancy and fears to minister to the 60 children who fronted up with huge energy and without any fear or hesitancy. By mid-morning we were out on the field after ice breakers and skits and I would believe we have never had a more co-ordinated, full-on, non-stop physical activity session than this one. The leaders knew it and were proud of themselves. The afternoon presentations by simple art and craft had educative messages for the kids. So once again, worst fears turn to joyful sense of achievement.
