Description:

For many who must juggle life's daily demands, Lent often seems to pass by with little opportunity for spiritual growth. But in this booklet, a renowned spiritual writer provides reflections for each day of Lent and Easter Week that are short and clear enough for the busy person, yet provocative, and challenging to the spirit.

These reflections will not take long--only enough time to let the written words sink in and inspire your own thoughts. How you apply them to your life is the process of conversion. That is the journey of Lent and Easter.

This booklet will be a treasured Lenten companion for every person to reflect on their personal life situation and to deepen their relationship with God.

It can be used as a personal reflection as well. We intend on using the Lent /Easter one.
