Happy St. Patrick's Day.

Christ with me,
Christ before me,
Christ behind me, ☘
CHRIST IN ME, CHRIST OVER ME.
Christ to right of me, ☘
CHRIST TO LEFT OF ME,
CHRIST IN LYING DOWN, CHRIST IN SITTING.
Christ in rising up, Christ in the heart
of every person who may think of me,
Christ in the mouth of every
person who may speak of me,
CHRIST IN EVERY EYE,
WHICH MAY LOOK ON ME!
CHRIST IN EVERY EAR, WHICH MAY HEAR ME!

To Rekindle Our Brotherhood

This past fall, every Brother in the Congregation received the following invitation:

“... to participate in an international spiritual journey - a personal and collective journey - to generate a new life and energy towards becoming the Brother each of us is called to be and to the new Brotherhood awaiting to emerge in us.”

As such, international Zoom conversations have been taking place across the Congregation on a monthly basis. The next Zoom will take place on Saturday, March 20, 2021. We encourage all of our Brothers to participate in this Congregation-wide initiative. Please use the below link to sign up.

Earlier this month, our school and outreach ministries in Argentina, Bolivia, Perú and Uruguay began their new academic year using a variety of learning modalities. We offer our prayerful support to all in our Latin America Mission Area as they embark on this new academic year for them.

The Statement, in part, reads: “*the Catholic Church values the God-given dignity of all human life and we take this opportunity to say to our LGBT friends, especially young people, that we stand with you and oppose any form of violence, bullying or harassment directed at you. **Voices of Edmund: A Conversation on Climate Action**

On February 10, 2021 members, of the Edmund Rice Network in Europe and North America joined together for a second time via Zoom. In this second “Discussion Across the Pond,” the topic of conversation was how participants can take action on climate change. The conversation brought together a group of more than 30 participants: Christian Brothers, school
administrators, teachers and students from 7 Edmund Rice schools in 4 countries (Canada, England, Ireland and the United States).

Prior to the call Edmund Rice England provided participants with a variety of videos and articles to spark the conversation about the dire need for action to combat climate change. These materials guided the conversation about what actions each participant can take individually and as part of their school and community. This group plans to meet monthly for continued conversation and planned action on human rights and social justice issues.

Promoting DEI in ERCBNA Schools

In response to the continued incidents of racial justice in the United States in May of 2020, the Edmund Rice Christian Brothers North America Province made a commitment to promote and encourage antiracism in our schools in North America. In addition to resources (at www.ercbna.org ) that were created and published online during the summer, the Mission Frère - Advocacy Office has continued to hold conversations about how we can continue to promote diversity, equity and inclusion in our schools. On February 24th, the Mission Frère - Advocacy office hosted a Zoom training workshop for ERCBNA educators on diversity, equity and inclusion (DEI).

The training was led by Mr. Rick Holifield, the Dean of Diversity, Inclusion and Community Engagement at the Lawrenceville school in Lawrenceville, NJ. Mr. Holifield led a presentation for ERCBNA educators on microinequities which as he described are subtle actions or words that can devalue or demoralize school stakeholders. The training allowed participants to understand what microinequities are, the ways in which they affect students, and how we can identify and prevent such behaviors. We look forward to continued conversations and initiatives in ERCBNA schools regarding antiracism and DEI. The DEI training was coordinated by Dr. Sean D’Alfonso, Province Advocacy Coordinator.

Congratulations to Sean on the recent successful completion of his doctoral degree from Seton Hall University in South Orange, NJ.
